Introduction

You can and should cross-reference sections and sub-sections. We use @citeR and @rohan. The remainder of this paper is structured as follows. Section ...

Data

Some of our data is of penguins (Figure [1](#)), from @palmerpenguins.

Talk more about it.

And also planes (Figure @ref(fig:planes)). (You can change the height and width, but don't worry about doing that until you have finished every other aspect of the paper - Quarto will try to make it look nice and the defaults usually work well once you have enough text.)
